MEMORANDUM FOR DIRECTOR OF CENTRAL INTELLIGENCE

SUBJECT: Request for a Point of Contact for the National Defense  
University Transition Planning Committee

The Chairman, Joint Chiefs of Staff, would like to determine the feasibility and desirability of establishing a National Center for Strategic Studies. Admiral Bob Long, USN (Ret), has agreed to chair a committee (the National Defense University Transition Planning Committee) to help in that effort. I need your assistance in providing personnel with the background necessary to thoroughly evaluate the need for a "National Center."

Points of contact are needed to keep supporting agencies apprised of the Committee's progress and to provide an avenue for crossfeed. It would be beneficial for the Committee to have a point of contact from the Central Intelligence Agency. The representative you provide would attend meetings on an as-needed basis.

Any questions may be directed to the Joint Staff's point of contact, Colonel Tom Berta, USA, J-7, at 694-6469.
